Wattville Primary School

Home School Agreement for Covid-19

This agreement is between Wattville Primary School and the parents of:
_________________________________________ Class: __________

We are looking forward to welcoming your child back to school for the final weeks of the Summer Term. In response to the Covid-19 pandemic we have changed many things in school to ensure the safety of the children and the teachers. We are asking that all parents agree to the following rules.

During the final weeks of the Summer Term 2020 the school insists that:

- Your child will follow the new school rules at all times and follow all rules related to social distancing
- Your child is brought to school and collected at the correct time every day
- Your child brings only a coat or jacket and a sun hat with them and no other belongings
- Your child wears their own clothes, and these must be changed each day
- If your child is suffering from any symptoms of illness, they will be kept at home and follow any relevant government guidance
- You will give the office your up to date telephone number and you will answer it when they call you
- If anyone in your household has symptoms of Covid-19 that your child will stay at home for 14 days
- That parents/carers follow social distancing rules when you come to the school and that only one adult will bring and collect your child
- That you will always work in collaboration with the school to ensure the safety of all children, school staff and the school community

If you do not follow these guidelines in full, we may not be able to allow your child to continue to attend school during the final weeks of the Summer Term.
