School closure from Monday 23rd March 2020

Thursday 19th March 2020
Dear parents/carers,

I’m now writing to let you know that we have now been instructed to close the school to almost all children after this Friday until further notice.

As advised by the government, we will do all we can to stay open for the children of key workers (e.g. NHS staff, police, others in frontline services) and children with certain needs.

All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards.

Please note that this is a national closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We'll re-open fully as soon as we can and will let you know when this is. Please keep an eye on the school website and group call.

Your child’s learning is of course important to us, so we’ll continue to help your child to learn. They have been provided with learning packs. Please also refer to links on the website to support learning.

If your child usually receives free school meals, we will also be in touch with more information about how we will continue to provide this, with support from a scheme that the government has just announced.

This is as much as we know right now, and we appreciate your continued patience as we deal with this ever-changing situation. We understand that this latest news will have an impact on you and your family and it’s far from ideal, but we’ll continue to keep in touch with any updates as the situation develops.

If you want to get in touch to share any concerns, please don’t hesitate to do so via the enquiry email above.

Kind regards

Miss Samuel (Deputy Head Teacher)
